Product	Revenue · sum
Support	687,564.9
Platform	573,057.91
Training	201,521.67
TOTAL	1,462,144.48

Rows shown: 3. Rows omitted: 0.

Scope & methodology

Source	sales.xlsx	**Worksheet**	Sales
Records loaded	540	**Records analyzed**	540
Selected columns	Region, Product, Date, Revenue	**Filters**	None
Missing categories	Include as Unknown	**Transactions**	Record count
Revenue	Revenue · sum	**Average transaction**	Revenue · average
Issued	29 Oct 2026 · 07:12 UTC		

Dates normalized to UTC; weeks run Monday to Sunday. Null values are not replaced with zero. Filters combine with AND. Observations describe the data; they do not establish causes or predict outcomes.

Excel: only cached formula results are read. Missing cached results are treated as null.
